

# YOUTH ADVOCACY FORUM

The Youth Advocacy Forum, functioning as a global platform, provides youths worldwide with international experiences and exceptional opportunities. Dedicated to the development of young individuals from diverse cultures and geographical backgrounds, the forum aims to empower them with knowledge in critical thinking and advocacy. Participants engage with global experts in the field to foster effective and sustainable prevention strategies.

## Objectives

- ✓ Youth empowerment, active participation, and advocacy
- ✓ Exchange of ideas, and experience
- ✓ Cooperation, partnerships, and good practice
- ✓ Critical thinking, media literacy
